## Vestry Key Messages

August 28, 2024

---

- The welcoming group has not been active lately due to the relocation of the chair (Anita Laryea) and family illness preventing the backup chair from filling in. This ministry is so important! We need to develop and implement some concrete initiatives to ensure new members are welcomed effectively, supported in their needs, have their questions answered, and feel like they belong.
- Rod Ashley, Oludare Adedeji, and Deacon Susan Page attended the Anglican Lutheran National Worship Conference held in Regina in July. They reported that it was an excellent conference, and we have the content of the conference available to anyone who is interested. Please contact Max in the office if you are interested.
- Susan MacPhail has gathered several people together to review and update our Mission Action Plan. A draft of the revised document is being reviewed by the members of this group and we expect that by early October there will be something shared with Vestry.
- Bryan Sigurdson and Richard Simpson have made some great progress on a strategy for Stewardship for Immanuel. Vestry will be setting some time aside at their September meeting to discuss and ensure that everyone on vestry supports the strategy and plan.
- Our expenses continue to exceed our donations and other revenues. Pat Hall as our Treasurer has completed a forecast to the end of 2024, which shows a deficit for the year of \$28,000.
- You may have noticed that the Massey Road doors were replaced in July. They look great! Thanks to Terry Page and the Buildings and Grounds Committee for taking care of this.
- Rev. Eimsook is planning to begin a new Bible Study this month – watch for the announcement.
