Vestry Key Messages

November 28, 2024

- The budget for 2025 was formally approved by vestry.
- Vestry approved requests for a new photocopier/printer in the church office, and to have the windows in the Hall replaced. A letter has been sent to the Diocese to request the funding for the windows to come from the Immanuel Legacy Trust Fund. This work will likely be scheduled for the spring. Thanks go out to Terry Page who spent countless hours preparing documents for the bid process and then consolidating them into a recommendation that can be actioned.
- Terry Gates has agreed to chair the nominating committee this year in preparation for our AGM which will be held on February 9, 2025. Please give some thought to whether you are able to join in the leadership of Immanuel for the coming year.
- Reports for our Annual General Meeting booklet will be due in early January.
- Vestry met on November 3rd for a special meeting focused on reviewing the revised draft Mission Action Plan. Great progress was made and another meeting has been set to hopefully complete that process on Sunday January 19. and begin to set priorities, timelines, and responsibilities.
- October's financial results were positive, due to the receipt of a bequest from a parishioner. Our expenses continue to be higher than our contributions from parishioners.
- Vestry approved several policy updates.
- Immanuel will host the Diocesan Synod which will take place May 23 – 25 2025.
